

# Tickets for Time

## - A benefit for your school -

Through **Tickets for Time**, employees give back and Southwest gives back! For every 40 volunteer hours recorded in our system, your school becomes eligible for one domestic round trip flight in the form of a Southwest flight e-Pass<sup>SM</sup>, up to six per organization per calendar year. All hours spent in the classroom, prep, time, meeting with your teacher, etc. are eligible. You would be surprised how giving your time adds up.

Three easy steps to earning tickets for schools (and nonprofit organizations) through the Tickets for Time Program:

**Go to SWALife>Culture>Volunteerism>Launch Volunteer App>Record Hours**

1. SEARCH for school

Less is more: Enter "Purefoy" and "TX" verse "J.P. Purefoy Elementary, Frisco, TX"

2. SELECT or NOMINATE (Nominate will have you add/update school information)

3. RECORD HOURS

- Remember time engaging with students and prep time is all volunteering – count it
- 16 hours max per entry and stay within a one month time frame
- AAP Example: 4 lessons – 4 entries - 10 hours per entry = 40 hour average
- Save/Proceed/Submit
