TIPS FOR SUCCESS

- We are looking for a design that accurately represents the core principals of the Adopt-A-Pilot program. Things to think about :
 - What did Adopt-A-Pilot mean to you?
 - What did you learn?
 - What did you like best about Adopt-A-Pilot?
- What did this year's tie look like? Would something different be good for next year.
- Use your F.L.I.G.H.T. Values! We love seeing everyone's creativity.
- Artwork that is neat, clear, vivid and eye-catching is always a good idea!

IF YOUR TIE IS CHOSEN

- Southwest will re-create your design in adherence with our design specifications. The final design will closely represent your artwork but will not be an exact replica.
- Entries from all over the country are narrowed down to several finalist. The top 5 designs are then voted on by our Southwest Pilots.
- If you win:
 - You will get your very own Adopt-A-Pilot tie with your name and hometown printed on the back.
 - You will receive an official plaque commemorating your achievement.
 - Your name and artwork may be included in materials used by Southwest Airlines. Hundreds of Pilots will wear your design during the 2020 Adopt-A-Pilot year - YAY!!
