

Lesson 4:

Destinations . . . Adopt-A-Pilot Completion Day!

FLIGHT ROUTE

Where You'll Go Today

- Hip, hip, hooray! You have successfully completed the Adopt-A-Pilot program.
- You explored how learning different skills and subjects can help you with your future career dreams.
- You traveled through time - time changes that is!
- You investigated Bernoulli's Principle and the force of lift using the Scientific Process.
- You discovered that, like a good book, geography can transport you to far away places without ever leaving your chair!
- You learned the Adopt-A-Pilot **F.L.I.G.H.T** Values, and how import they are as you 'fly' through life!
- Thank you for being a part of this journey. Your 'adopted' Pilot is **GRATEFUL** they got to spend part of the school year with you!
