# Southwest<sup>®</sup>

## Your travel experience

#### 24 hours prior

**Check-in** for your flight.

If traveling internationally, make sure to bring any completed COVID-19 travel forms and other documents required by the country you are visiting.

**Download** the Southwest<sup>®</sup> **app** to help **limit contact**: get a mobile boarding pass, make changes to your flight, and check flight status.

Face coverings required for everyone ages 2 and up.

 $(\checkmark)$ 

Plan to **arrive** at the airport **early** as TSA waits are longer.

Agree to our health declaration when you check in.

#### At the airport

**Face coverings required** for everyone ages 2 and up.

You'll see signs and floor markers to help you keep your distance.

When you need to show ID, hold it up rather than handing it to the agent.

Plexiglas<sup>®</sup> barriers are at the
gate areas and ticket counters.
(Completed early May).

We are now **boarding in** groups of 10. Please stay seated until called.

Hand sanitizer is available throughout the airport.

### Inflight

Middle seats open through November 30.

UPDATED 09/29/2020

Stringent cleaning, including the use of **electrostatic disinfectants** and **antimicrobial sprayers**, are used **onboard**.

We **deep clean** each plane for nearly **6-7 hours** every night. (Began March 4).

HEPA filters remove 99.97% of airborne particles.<sup>1</sup> A full exchange of fresh, outdoor air occurs every 2-3 minutes while inflight.

Wipes are available.

Face coverings required for everyone ages 2 and up. We will provide a mask if you don't have one.

We are serving water and snacks on flights over 250 miles, when available. Straws are available on request. (Began May 22).

٥

Once the plane has landed, stay in your seat until it is your row's turn to deplane to avoid crowding the aisles.

<sup>1</sup> High-efficiency particulate air equipped (HEPA) filter as tested with 0.3 micrometer particulates.
